

6+ Action Sandball

Rules!

The Game

The beach may be a long way from home but beach volleyball is as close as your local Action Indoor Sports Stadium.

250 tonnes of sparkling washed beach sand create the ideal environment for this popular team game. The only things missing are the seagulls and lifeguards. Men's, women's and mixed teams of six people a side play every night of the week at Action, using slightly modified rules including under-arm serving in mixed groups. Sandball is popular because you can jump, dive and scramble without fear of injury. New comps are starting at Action Sports this month - gather a few friends, kick sand and enjoy a few drinks in the Sports Bar afterwards.

GETTING STARTED

Action is all about enjoying yourselves. Here's some tips on getting a team together.

1. Don't try and gather an entire team before you register.
2. Get strong interest from just 3 or 4 friends and register for a trial game - this sets a date to get started.
3. Encourage your friends to each recruit 1 or 2 of their friends for the trial game.
4. When you have played together under trial/beginner conditions you'll soon discover how much fun it is and the only problem you'll have is cutting back the numbers.

Action 6+ Sandball is played for enjoyment. Have fun, enjoy the game and celebrate with your friends.
