

# Nomination Form

Action Indoor Netball

**How Does My Team Enter?** Simply organise enough players for your team, complete the details listed below and submit/post your Nomination form to the Stadium.

**How Is My Team Graded?** Each new team plays 3-5 Grading Games against varying grades of opposition to enable Stadium Management to evaluate your level of playing ability.

**What Days Will My Team Play?** Due to the large number of teams playing at the Stadium, fixtures are prepared via computer software using a **Rotating Time Preference** system with competitions graded by ABILITY rather than playing times. This system ensures your team plays against teams of similar ability - thus providing your team with an even and enjoyable competition. By numbering your night/day preferences below, our computer fixturing system matches your preferred times with those of the teams in your grade and produces a varied playing fixture - while always aiming to maximise the number of games fixtured at your team's most preferred nights/days.

▶ **Competition:** **TUESDAY**  **THURSDAY**
